simplicity

# WorkCentre® 5222 / 5225 / 5230 Multifunction System

**Fast copying and printing, advanced scanning and faxing and the power to customise workflows.** The modular and easy-to-manage WorkCentre 5222 / 5225 / 5230 multifunction system is packed with high-end features to deliver a level of productivity above and beyond your typical office system

## Redefining workgroup productivity

The WorkCentre 5222/5225/5230 is all about productivity, a host of time-saving features boost your team's efficiency and advanced workflow solutions streamline the tasks you perform every day.

30  
ppm

- **Print and copy speeds up to 30 ppm and a scan speed of up to 55 ipm.** Keep up with your busy pace.
- **A robust copier.** Handles your workgroup's volumes and offers convenient features, including ID card copy, which scans both sides of an ID card and prints them face-up on a single sheet of paper.
- **Powerful scanning tools.** Tools that let you back up critical documents – converting them into digital files for easy sharing and archiving while reducing the amount of physical storage space required.
- **Introduce new workflows or automate repetitive processes.** Automatically route documents to predefined locations at the touch of a button within the office environment.
- **Colour Scanning available on the 5225A / 5230A configurations\*.** Users can take advantage of all the benefits of scanning while maintaining the original look and feel of full colour documents.

## Simplicity in design

With fast deployment and easy support, your WorkCentre 5222/5225/5230 is ready to deliver the performance you need, when you need it. Helpful tools make it easy to maintain complete control – allowing you to keep costs to a minimum.

- **Cost control features.** This includes an internal Auditor, which lets administrators set limits for print, copy, fax and scan functions by user.
- **Confidential data stays private.** Features such as network authentication, print and scan encryption for safe data transfers and image overwrite ensure data remains secure over your network.
- **Xerox CentreWare Internet Services.** Simplifies installation and network administration, providing quick access to device status. Automatic email alerts notify administrators or users of events that require attention, such as low toner levels.
- **MeterAssistant™.** Automatically collects and securely submits your device meter reads to increase billing accuracy.

## Powerful scanning solutions

- **Scan to Email.** Lets you route files to email recipients directly from the front panel.
- **Network scanning.** Uses convenient templates to send scans to pre-defined locations.
- **Scan to Mailbox.** Lets you send electronic files to the device's hard drive for easy retrieval.
- **Job Flow Sheets.** Simplify everyday workflows by automatically routing documents to predefined locations, including preset email addresses, fax destinations, and FTP/SMB sites.
- **Enhance Scanning Workflow.** Choose to add on-board Text Searchable PDF and MRC compression technology on the 5225A/5230A configurations. Text Searchable PDF for faster retrieval of scanned and stored documents. MRC Compression creates smaller scan file sizes to reduce network load.

\* Black and white scanning copier and printer copier configurations of the WorkCentre 5225/5230 cannot be upgraded to the colour scanning WorkCentre 5225A/5230A configurations

## WorkCentre® 5222 / 5225 / 5230 Quick Facts

- Print and copy at up to 22/25/30 ppm
- Powerful scan and fax solutions
- Print up to A3
- Up to 1200 x 1200 dpi print resolution
- Max paper capacity: 5,100 sheets
- Best-in-class security – Submitted for full-system Common Criteria (ISO 15408) certification
- Xerox Extensible Interface Platform (EIP)

Print / Copy / Scan / Fax

640 x 652 x 1,113 mm

WorkCentre 5230 with two-tray module

Imagine if your WorkCentre could adapt to fit the way you work, not the other way around. With Xerox Extensible Interface Platform (EIP), menus and languages specific to your business can appear on the touch screen. EIP enables applications that allow you to securely find, save, print and share information in a few easy steps, entirely at the multifunction system.

### Paper input

- 1 75-sheet Duplex Automatic Document Feeder (DADF) quickly processes single- or double-sided originals
- 2 100-sheet bypass tray for speciality media and custom sizes
- 3 Two standard 500-sheet trays are adjustable up to A3
- 4 Choose a 1,000-sheet Two Tray module (adjustable up to A3) or a 2,000 sheet A4 Tray
- 5 A 2,000-sheet external High-Capacity Feeder can increase total capacity to 5,100 sheets

### Optional Finishing

- 6 Space-saving Integrated Finisher for convenient single-position stapling (shown below)
- 7 Office Finisher LX adds multi-position stapling and optional booklet creation and hole punching.

## Flexibility

Choose a powerful A3-size copier and add printing, scanning and faxing capabilities to optimise your workgroup's productivity. As your work volume increases, the WorkCentre 5222 / 5225 / 5230 is ready to expand to meet your business needs.

### Comprehensive Security

The tools you need to restrict access, track usage and protect confidential data. Security features include Secure Print, Secure Fax, print and scan encryption, Image Overwrite, IP filtering, built-in support for SNMPv3.0, and submission for Full System Common Criteria (ISO 15408) for certification.
