¹ Tested with a Single IP configuration. Dual IP configuration may work and would require further validation.

² Plug-in available at www.xerox.com

³ Xerox Extensible Interface Platform 2.0 via SPAR

⁴ Xerox Extensible Interface Platform 2.0 or higher with device software available at www.xerox.com

⁵ Requires Mobile Print version 2.5.1 or higher

⁶ Non-Xerox Extensible Interface Platform version

⁷ Equitrac Office / Equitrac Express, Equitrac Professional, and Ysoft SafeQ functionality is limited when used with Xerox® FreeFlow® Print Server. All other listed solutions are supported by Xerox® FreeFlow® Print Server. Solution support for Xerox® FreeFlow® Print Server was not validated by SIV.

⁸ The results listed are for a Single IP Configuration. Dual IP Configuration results for EFI Standalone Print Server and EFI Integrated Controller are assumed to be similar to DMP. Dual IP Configurations were not validated by SIV.
